STRONG HEALTHY AND RESILIENT KIDS

## San Gabriel Pomona Regional Center - Tip Sheet

### WHO CAN REFER A PATIENT/CLIENT?

Anyone can submit a referral. Regional Center will reach out to the family to see if they would like to proceed in obtaining services.

### HOW DO YOU REFER PATIENTS < 3 YEARS OLD?

Best way: To refer your child, please contact any of the following Early Start Intake Coordinators  
Leidi Juarez: Phone (909) 710-8554; Email [ljuarez@sgprc.org](mailto:ljuarez@sgprc.org)  
Helga Rodriguez: Phone (909) 710-8556; Email [hrodriguez@sgprc.org](mailto:hrodriguez@sgprc.org)  
<https://www.sgprc.org/consumers-families/apply-for-services/early-star-intake>

Other ways: Main Office Phone (909) 620-7722

\*Sending copies of completed ASQ's, MCHATS, and other developmental screeners is extremely helpful to the San Gabriel Pomona team!

### WHAT HAPPENS AFTER REFERRAL?

Eligibility will be determined and families are expected to begin receiving services within 45 Days from the initial contact

### WHAT PATIENTS CAN BE SEEN BY SGPRC IF THEY ARE > 3 YEARS OLD?

Those patients covered under the Lanterman Act with substantial disability due to:

- Intellectual Disability (IQ < 70)
- Cerebral Palsy
- Autism
- Other closely related conditions

### HOW DO YOU REFER PATIENTS > 3 YEARS OLD?

Best way: To refer an individual, please contact any of the following Intake Coordinators:  
Edith Flores: Phone (909) 710-8664; Email: [eflores@sgprc.org](mailto:eflores@sgprc.org)  
Leticia Chaires: Phone (909) 710-8671; Email: [LChaires@sgprc.org](mailto:LChaires@sgprc.org)  
<https://www.sgprc.org/consumers-families/apply-for-services/intake-services-ages-3-and-over>

Other ways: Main Office Phone (909) 620-7722

### WHAT HAPPENS AFTER REFERRAL?

The intake process will take 120 days to complete, but families will begin receiving services after an IPP is completed, which is typically 30 days after the intake process is completed.
