# What is Head Start

## Head Start History

- 1965 – The birth of Head Start Head Start is now middle aged!!
- Part of the War on Poverty program
- Health and Human Services grant from the Office of Head Start.

# Head Start Mission

## MISSION OF HEAD START

- To break the cycle of failure by preparing young low income children and their families to better succeed in life.
- To promote school readiness by enhancing social and cognitive development of children through the provision of educational, health, nutritional, social and other services to enrolled children and families..

# Head Start Objectives

## Objectives of Head Start

- Provide children with services to enhance their growth and development
- Strengthen families as the primary caregivers/nurturers of their children
- Support families by providing opportunities for them to progress toward their goals of self sufficiency

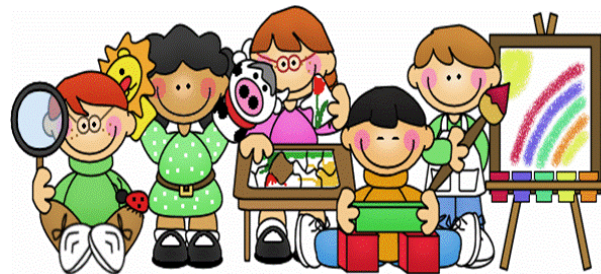

# Head Start Objectives

## Objectives continued.

- Link children and families to needed community services by strengthening collaborative partnerships.
  - Ensure well-managed programs that involve parents in the decision making. Strengthen shared decision making with all stakeholders
-

# Head Start Objective Children with Disabilities:

- 10% of our funded enrollment are reserved for children with a disability that is supported by an active IEP/IFSP.
- All children that have an active /current IEP is reviewed by the Disability Coordinator to ensure that our service meet the needs of the child IEP/ IFSP.
