

DOMESTIC VIOLENCE SUPPORTIVE SERVICES

A program geared to help and support victims and families that have experienced or are experiencing domestic violence. DVSS strives to provide a safe space and services to help empower survivors of domestic violence.

Services Include:

- Case Management
- Domestic Violence Classes & Support Groups
- Community Resources & Linkages

PREVENTION & AFTERCARE

A program designed to provide support and interventions for families that have an open DCFS investigation or have exited the system, as well as community members. Services and support prioritize family strengthening and family protective factors that are vital to families success.

Services Include:

- Case Management
- Parenting Classes & Groups
- Emergency Basic Support Services
- Community Resources & Linkages
