

# LGBTQ+ Tailored Services to Youth *program*

Are you a current or former foster youth between the ages of 2 and 25 who identifies as LGBTQ+? Do you know of one?

Penny Lane's LGBTQ+ Program Services, in collaboration with DCFS, brings the LGBTQ+ Tailored Services to Youth Program to Service Areas 1 and 7.

The LGBTQ+ TSY Program seeks to improve outcomes for LGBTQ+ children and youth in care by connecting youth to affirming services and supports. The goal is to help LGBTQ+ children and youth to achieve well-being and safety and address the many negative outcomes that too often occur. These services will develop, strengthen, and enhance protective factors to ensure the safe transition of LGBTQ+ children and youth who are reunified with their families, and help LGBTQ+ children and youth with their families establish community and social networks to promote post-reunification stability.
