# SHARK Accomplishments

Aug 2020 - Jun 2023

- Grown from 1 provider to 7 providers (2 of which will begin 9-2023!)
- Added a CHW and LCSW to our team
- Granted funding for a separate, newly renovated clinic space
- Developed a partnership with DMH and Drew University to provide co-located psychiatric services to our patients
- Created workflows to expedite families' connection to Regional Center, ABA Therapy, and mental health therapy
- Have developed a partnership with the Harbor UCLA Residency Program with pediatric residents coming to SHARK for elective rotations, and in July 2024 pediatric residents will be at SHARK every day for their continuity clinic
- Developed programming to address patient needs. (Meditation Study, Aromatherapy, Literacy Program)
- Expanded Rancho Wellness services to younger pediatric patients
