

# Welcome to StarChild Interventions

# Mission Statement

- At StarChild Interventions, our mission is to empower every child to reach their fullest potential and live a meaningful, enriched life. We provide personalized, evidence-based treatment rooted in child development milestones and designed to support the whole child.
- We believe that families are central to a child's success, and we thoughtfully match each child with compassionate therapists who align with their unique needs and family culture. Our team receives continuous training in ABA and child development and collaborates with other professionals to deliver a truly integrated, holistic approach.

# our core services

At StarChild Interventions, we offer a comprehensive suite of services designed to address the unique needs of each child and family we serve.

## Behavior Intervention Services (1:1 ABA)

Our trained Behavior Technicians work directly with learners under the supervision of Board-Certified Behavior Analysts (BCBAs) to implement individualized treatment plans that target specific skills and behaviors.

## Functional Behavior Assessments (FBA)

Conducted by our expert BCBAs, these comprehensive assessments identify the underlying causes of challenging behaviors and form the foundation for effective intervention strategies.

## Parent Education & Training

We empower families with practical strategies and techniques to reinforce therapeutic goals at home, ensuring consistency across all environments and maximizing progress.

### BCBA
