GET CERTIFIED TODAY!

FREE Mental Health First Aid Training

Teaches you how to identify, understand, and respond to signs of mental illness and substance use disorders.

***Earn a certification valid for 3 years**

What It Covers:

- Common signs and symptoms of mental illness and substance use
- Depression, anxiety, and psychosis
- How to interact with a person in crisis
- How to connect the person with help
- How to apply the 5-step action plan in a variety of situations
- Updated content on trauma, addiction, and self-care

Participants are required to complete a 2-hour self-paced online class before participating in a live instructor led video conference. (You will need access to a web camera)
