

1. Right click anywhere along the top of the Orchid/PowerChart button tray where the One Degree link used to be
2. Click "Customize" (it should be the only option that appears)

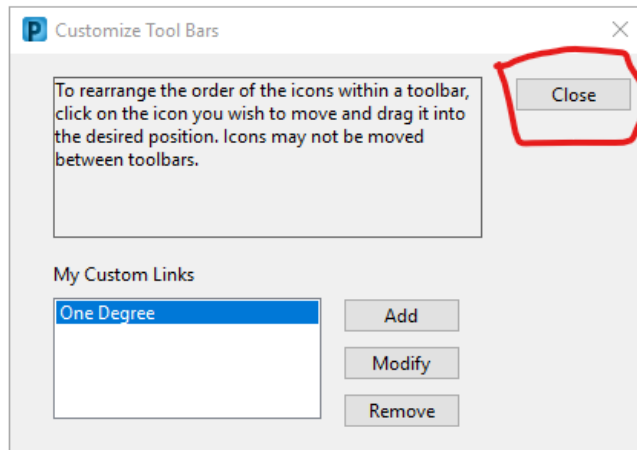

3. In the new pop-up window, click "Add"

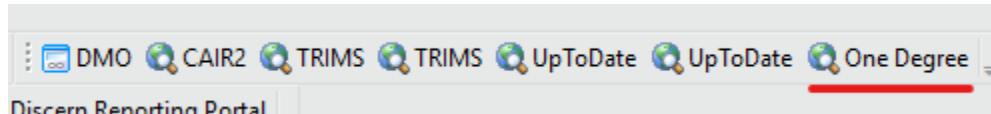

- 1.
4. In the last pop-up, enter the following information in the first two fields and leave the last field blank:

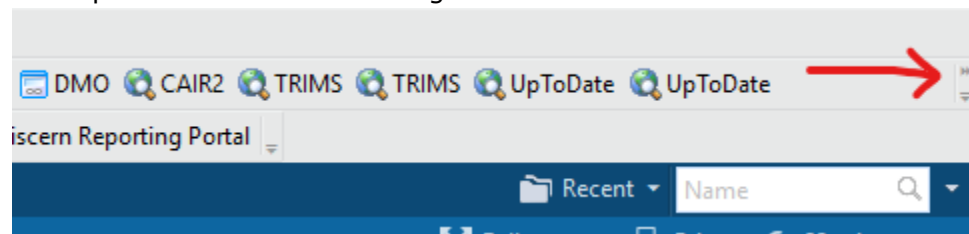

1.
 1. Field 1: One Degree
 1. Field 2: <https://www.1degree.org/>
5. Click "OK" then "Close" in the remaining pop-up to complete the process.

- 1.
6. The One Degree button should now appear in the upper-right of the tray.

1. Discern Reporting Portal
7. If the button still does not appear after completing steps 1-5, it's likely because the Orchid window is not maximized and the button is being pushed out. Either maximize the Orchid window, or click the double right-facing arrow at the end of the tray to expand the options and select One Degree:

1.
