Preventing Sexual Violence in LAC

Training Nightlife Staff to Help Prevent Sexual Assault

Join the Los Angeles County Sexual Assault Council (LAC SAC) to learn how bartenders, servers, and other nightlife staff are trained to help prevent sexual assault.

The City of West Hollywood passed an ordinance requiring businesses that serve alcohol to receive bystander intervention training. Panelists will provide an overview of the history, implementation and outcomes of this community effort to prevent sexual assaults.

July 29, 2026

Wednesday 1:00 PM - 2:30 PM
