Presented by Helen Stiver

Helen earned her Bachelor's Degree in Human Services from Columbia College Missouri and Certificate in Interpreting from Golden West College. For the past 20 years she has worked in the non-profit sector as a direct service provider focusing on disability accessibility. She combines her professional and lived experience as a subject matter expert, technical assistant, trainer, and consultant to advance the presence of survivor leadership in the anti-human trafficking sector. As a person with a disability, Helen is passionate about increasing awareness of accessibility needs of survivors with disabilities and educating providers on the intersection of disability & human trafficking.

Training Objectives:

- Accessibility Laws in the U.S.
- Understanding disability rights and ableism
- Overview of disability categories
- Best practices for interacting with a young person with a disability
- Basic overview of cognitive disabilities
- Effective communication
- Intersection of disability and human trafficking
- Vulnerabilities specific to young people w/ disabilities
- Strength-Based Approach
- Multi-Model content delivery for young people with cognitive disabilities
- National Human Trafficking & Disabilities Work Group Needs Assessment Survey and Report
- Looking forward - interventions for at-risk youth with disabilities
